

Dear Church Family,

We are in the infant stages of the renovations project of our sanctuary. As we relocate to the Family Life Center for our worship services, I certainly realize that there will be some inconveniences along the way. I'm sure sitting in chairs instead of pews might seem a little inconvenient, just as walking down from the main building after Sunday School. But it's only temporary, and no doubt all of us have had to sit for longer periods of time in a lot more uncomfortable seats, for something a lot less important than the worship of the Lord Jesus Christ! Let's all remember that we are here to praise and worship the King of all kings and the Lord of all lords! As we come together as one, may we all be one in Jesus Christ! I love all of you!

EPHESIANS 6:13. NIY

Hi Church Family,

Can you believe that school starts this month? Time just keeps moving on and it moves really fast. If you are like me though, I have to wonder if I'm doing all I should with my time for God. It seems that we are in the early stages of Christian persecution. Who would have ever thought that someone would protest us having a street revival and a cross on the policeman's patch here in Woodruff? If there has ever been a time that we need to be on our faces in prayer, it's now. Just as we also need to know the word of God and know the songs that worship Him and lift Him up. Join me, the worship team and choir as we strive to know Him and worship Him more each day. Let's not let Satan have our town, our kids, and our church. Stand strong, be bold and know that we are free in Him! Praising Him Always Vicki

Dear Church Family,

It's amazing how a month goes by so quickly. I have enjoyed my first few weeks here at Bellview. I am so thankful for how you have all welcomed me and my family. I want to thank you all for your prayers and support for my mission trip to Scotland and I look forward to sharing with you what God accomplished through our efforts there in Edinburgh. Also, thank you so much for the love offering that you gave to me for my trip – it helped out tremendously! I look forward to seeing what God is going to do among the students here at Bellview. I know that He is going to do something great in our youth ministry so please be in prayer.
