

Dear Church Family,

Thank you for the many visits, calls, cards, food, and prayers lifted up on my behalf during my recent automobile accident. Also a special thanks to Dennis Garner for hanging out with me at the crash site (even though I couldn't remember his name, or mine) and Vicki Montjoy for the special prayer she prayed over me before surgery. Please continue to pray for me as I heal and anticipate another surgery in a few months.  
Love in Christ, Eddie Coster

Dear Church Family,

Thank you for your prayers, calls, your many acts of sympathy and the delicious meal you prepared for us. We are truly blessed to be a part of God's family here at Bellview. We love each of you very much. Sincerely, *the family of Edna Jones*

Dear Bellview members,

It meant so much to know how much you cared and thought about us during this difficult time. Thank you so much for the Phone calls, cards and prayers. I know that there were other people that were sick and there were many people out of town, but you still took time to show us how much you care and your Christian spirit by reaching out to us. It was graciously received in the spirit in which it was given. Thank you again to Teresa Cason for the beautiful music and Rev. George Norris for the wonderful message, *Thank you! Jan Allen & Family*

To all of the friends at Bellview,

We just want to thank you so much for being such a loving church family for our wife & mother Frances Bragg. Your calls, visits, and prayers during her illness and heath meant so much to us and placing the Gideon Bibles in memory of her was a very special way to honor her. We also appreciate the meal that you served on the day of her funeral and we want to say a special thanks to Pastor Ray for being with us during a difficult time. We love you all, *Bud & Dean Bragg, Bail Ball & Kathy Lane*

Dear Church Family,

Thank you so much for the gifts, love and support you give us each year. It is indeed a blessing to us to serve the Lord through music at Bellview. In His Service, Musicians, *Praise Band, Sound Techs and Vicki*
